

Getting to know South East Water

/ Open day

**Arlington Water Treatment Works & Reservoir,
Near Berwick, East Sussex**

Saturday 21 April 2018 at 10am

Join our team of water experts on our two hour tours to see behind the scenes of your local water treatment works and how your drinking water is stored, treated and supplied to your home. Also pick up tips on how to use water wisely and reduce your bills.

/ First come, first served

Entry strictly by ticket only. Places subject to confirmation. Visit **corporate.southeastwater.co.uk/opendays** to book or telephone **01732 375410** between **9am - 5pm** weekdays. Conditions apply. ID will be required.

As this is a working water treatment facility, we regret that access is not suitable for people with impaired mobility or children under the age of 14.
