

Village Agents - 2 posts (Ref: VALWV)

Lewes & South Wealden Villages

Annual Salary on a scale starting at £21,268 (pro rata)

Fixed term contract to 30th June 2018

Part-time – 17.5 hours per week

28 days (pro rata) annual holiday and contributory pension scheme

Would you like to work with communities and volunteers in Lewes and south Wealden districts to develop local activities, services and opportunities to improve the overall health and wellbeing of local people? Are you interested in improving village life for those who are isolated or vulnerable? Are you interested in a flexible local employment opportunity?

Action in rural Sussex (AirS) is seeking to recruit **2 Village Agents for communities in parts of Lewes and South Wealden District to join our existing team.** They will work with community organisations to improve and connect people to local services and assist in developing local support and services where they are needed. We would **particularly welcome applications from local people** with a keen interest in these communities and in improving local services and activities.

The agents work within their allocated communities but are also part of a team delivering joint projects and sharing and learning from experiences. We are looking for individuals who can be flexible in their approach and committed to bringing real benefits to local people.

We welcome applications from everyone and value diversity in our workforce
